### New Business:

PNCO sent an email to the chapter. They have a number of items they would like to donate to us. Maria will email Deanna and get the keyboard, bench, stand and possibly a speaker. Maria will also ask if they would like us to do cookies for the concert in December.

Selah put Hannah Cho's bio and picture on our website (MAP) Check that out before she comes for a workshop in November. Maria will check in with Hannah about how much she will charge us.

Selah talked with Michelle Hwong the MAP artist for 2024. She is open to coming for YAMs and a workshop. Selah would like to get a tentative number for how many students we might have for YAMs (February 2024). Selah will apply for the Chapter Grant for Workshops ect...

Selah will put a Donate section up for the Grant on our website, if you have students who would like to donate they can find the information there.

Selah has been making earrings! She would like to sell them at different events to raise money for the Grant Fund. They cost \$0.48 to make. Kay moves that we have earrings for our events and look into selling them at Hub City Music and other locations. Karen Seconded. The motion was passed. If you are interested in helping Selah with this project, feel free to contact her with any time/resources you would like to give.

Respectfully Submitted,
